

**Career Corps
Lesson Plan Template**

Course Title:

Course Number:

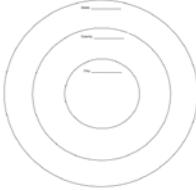

Total Duration: 1-2 days

Date/s:

Overview/Annotation: Career Opportunities:

Essential Question:

What do city, county, and state governments do? **Background/Preparation: vocabulary**

Content Standards		Correlation to Alabama COS
Describe structures of state and local governments in the United States, including major Alabama offices and officeholders. Describing how local and state governments are funded. Compare duties and functions of members of the legislative, executive, and judicial branches of Alabama's local and state governments and of the national government.		
Learning Targets		
I can explain and discuss the responsibilities of local governments- city, county, and state.		
Varied Learning Activities Procedures/Activities Safety Instructions	Materials/Equipment/ Technology Resources	Assessment Strategies
Varied Learning Activities: Pre-teach vocabulary words (ELLS): funding, revenue, taxes, county, city, government, branches of government: legislative, executive, judicial	Textbook Printer/Copier machine <input checked="" type="checkbox"/> Workbook/Handouts <input checked="" type="checkbox"/> Internet <input checked="" type="checkbox"/> Computers Microsoft Office Software Newspapers/Magazines LCD Projector Scanner Digital Camera VCR/DVD player Television	Check homework Test/Quiz <input checked="" type="checkbox"/> Project Participation Class work Review Presentation Oral Responses <input checked="" type="checkbox"/> Teacher Observation Demonstration Peer Evaluation Other:
Procedures/Activities: TSW view videos about local governments and city, county, and state government websites. TSW complete a bullseye graphic organizer to list the responsibilities of each level of government (state, county, and city).	Other: Computers with recording capabilities Flip Grid account and code	Other:
 Links: Local Government Departments Social Studies for Kids Kids Academy https://www.youtube.com/watch?v=FVQhFIF2-tI Local Government Departments https://www.youtube.com/watch?v=CumDa3eG5qo Local Government for Kids https://www.youtube.com/watch?v=gs6lqZEE4Rk Local and State Governments - BrainPOP Jr. https://www.youtube.com/watch?v=eR0kgdgWcU_A Also have specific websites for the city, county and state you are looking into. Safety Instructions: Check websites for access at school and use Securely or a similar program to monitor students internet usage.		
Lesson Evaluation/Notations for Lesson Enhancement		Remediation and Accommodations Provisions for Individual Differences
TSW create a Flip Grid explaining the different responsibilities of each of the 3 levels. TSW view other students' Flip Grids and can make positive comments only.		<input checked="" type="checkbox"/> Extended Time <input checked="" type="checkbox"/> Preferential Seating Testing Accommodation Copy of Teacher Notes Extended Assignment Length
Teamwork Activities Students could work as a group to create the graphic organizer together. Scaffolding- a group for each level meets and learns all about one of the three levels then meets with a group of three, one member from each level, and they teach each other about their levels. Everyone is responsible for recording their own information.		Modifications Enhancements Remediation
Career Readiness Indicators (CRI)s / Industry Credential/s (only applicable to high school)		Communication Peer Tutor Other: List of responsibilities the student can choose from
